

## *BEYOND GOODNIGHT MOON: GREAT STORIES TO READ ALOUD*

All titles are not available at every library. Please check the online catalog for availability. Any of the following titles can be requested and delivered to your Sarasota County community library.

These are delightful stories that can be read aloud to your child. They are also suitable for recording onto cassette tape with a minimum of explanation. Listening to your voice reading stories just for her/him is a wonderful and lasting gift to give your child for years to come.
