

Techno Teen Volunteer Computer Assistant

Program Information:

The Techno Teen Computer Assistant Program will enable teen volunteers, ages 14 to 18, to experience the work world for the first time and start building their resume. They will receive extensive customer service training as well as training in library procedures. Each teen starts with a 10 week rotation and has the ability to volunteer additional rotations throughout the next year. Teens will work alongside staff and can demonstrate their leadership skills by training other teens entering the program.

Duties:

- * Assisting customers with Internet computers and self-check machines.
- * Assisting staff with teaching computer classes.

Locations:

North Sarasota Library
2801 Newtown Blvd.
Sarasota, FL 34234

How to apply:

Interested teens should contact: Angela Falsey at 315-0599, afalsey@scgov.net or Erin Mahaney at emahaney@scgov.net and register online at www.scgov.net/volunteers
